HOW TO APPLY FOR SILETZ TRIBAL CHARITABLE CONTRIBUTION FUNDS

The Confederated Tribes of Siletz Indians of Oregon (Siletz Tribe) enacted Ordinance Section 4.20, Distribution of Net Revenues Ordinances on July 6, 1999. Additionally, Siletz Tribes and the State of Oregon signed a Memorandum of Understanding (MOU) on September 4, 1999. Through these two documents, the Charitable Contributions program and Advisory Board were created. The Advisory Board consists of seven individuals meeting quarterly to review and recommend applications. They are also responsible for the evaluations and reports related to the distribution of funds.

ELIGIBILITY

Charitable Contributions are awarded to charitable organizations or local governments within the Siletz Tribe's service area and/or Native American entities or activities located anywhere in the United States.

Eligible Oregon Counties include:

- Benton
- Clackamas
- Lane
- Lincoln
- Linn
- Marion
- Multnomah
- Polk
- Tillamook
- Washington
- Yamhill

Native Organizations located throughout the United States outside the designated Oregon counties are also eligible to apply for funding if they are providing services or activities to a population with more than 50% Native American participation. Applicants must describe on the application how they meet these eligibility criteria.

The Charitable Contribution Fund has designated twelve allowable categories including:

- Alcohol and Drug Treatment
- The Arts
- Cultural Activities
- Education
- Environment and Natural Resource Preservation
- Gambling Addiction
- Health
- Historical Preservation
- Housing
- Prevention
- Public Safety
- Other

Only organizations located within the eleven counties or Native American organizations located within the United States are eligible to apply. Individuals are not eligible to apply for funding. Documentation of non-profit status is not required to be considered for a STCCF grant.

The STCCF is intended to provide funding for assistance or expansion of current organizational funding; it is not intended to be a substitute for existing funding or fundraising activities.

Generally, awards range from \$150.00 to \$10,000. The overall amount average is about \$5,000. Application requests greater than \$15,000 are not encouraged, however, applicants may request what is necessary to meet their needs.

STCCF generally considers projects that will provide the largest benefit to the community or population served and to organizations that have secured matching funding and/or have proposed ongoing fundraising activities.

Most successful applications demonstrate a 50-50 ratio of secured funds to the amount requested. Matching funds may include cash, in-kind or future fundraising.

Expenditures such as operating expenses (salaries, benefits, administrative expenses, membership dues, etc.) are generally not considered for STCCF funding.

The review process takes at least 30 days with notice being provided to each applicant at least one week prior to the Public Distribution Reception. Notification regarding the decision will be delivered by U.S. Postal Mail. Please do not call regarding the status of your organizations application.
