

COVID RELIEF ASSISTANCE PROGRAMS

There is limited assistance available for Siletz Tribal households that have been negatively impacted by the COVID-19 pandemic. Examples of being impacted include being laid off, a reduction in income or hours, pay reduction/cut, increase in household/utility/food expenses, etc.

This special assistance is available to Siletz Tribal members WITHIN AND OUTSIDE the service area—income is not necessarily an excluding factor. If you are having difficulty meeting your basic needs, CALL!

Assistance is available for rent/mortgage, energy, purchasing food, water & sewer, childcare and property taxes. *The rent/mortgage relief is a one-time payment to the household's landlord/mortgage company.* Assistance for these special COVID related programs is on a first come, first serve basis with funds available until expended. For more information or to obtain the application for these programs, you can directly email/call the staff listed below or go to the Tribal website and click on the "[Coronavirus Updates & Resources](#)" link on the homepage and scroll to the desired program.

NOTE: Applications have different due dates - review policies
