The Confederated Tribes of Siletz Indians of Oregon (Siletz Tribe) enacted Ordinance Section 4.20, Distribution of Net Revenues Ordinances on July 6, 1999. Additionally, Siletz Tribes and the State of Oregon signed a Memorandum of Understanding (MOU) on September 4, 1999. Through these two documents, the Charitable Contribution Fund and Advisory Board were created.

Charitable Contributions are awarded to charitable organizations or local governments within the Siletz Tribe's service area and Native American entities or activities located anywhere in the United States for the following purposes: education, health, public safety, gambling addiction, prevention, drug and alcohol treatment, housing, the arts, the environment and natural resource preservation, cultural activities, historic preservation, and other charitable purposes.

The Siletz Tribal Charitable Contribution Fund Advisory Board is comprised of seven members. 2014 Board Members: Jessie Davis, Siletz Tribal Council Representative; Cheryl Lane, Rebekah Goulet, and Kurt Arden, Siletz Tribal Members; Karen Gerttula and Mike Holden, non-tribal members agreed upon by the Governor and Tribal Council Chairman and approved by the Tribal Council; Dick Anderson, non-tribal member position selected by the Tribal Chairman from a list submitted by the Governor and approved by the Tribal Council.

The funds, including interest, are earned in a calendar year. Thus, the funds earned for the 2014 distributions came from the 2012 Excess Pledge Revenues which were earned from January 1, 2012 through December 31, 2012.

There were 368 requests for funds in 2014. Of these requests 138 organizations, charities or local governments received funds from the Charitable Contributions line item, totaling \$633,537.94. Less than 3% of the funds are used for administrative expenses which include part-time personnel, supplies, Board and Staff travel and other expenses.
