

How to Get to Siletz Community Health Clinic

Coming from Portland via Lincoln City:

Take I-5 South to the Hwy 99 West exit (exit signs will probably say Forest Grove, McMinnville, Ocean Beaches); this exit is near Hwy 217; Hwy 99W goes through Tigard. Stay on Hwy 99W to Hwy 18 (you can take the bypass around McMinnville or go through McMinnville). Stay on Hwy 18 then take Hwy 101 South to Lincoln City. Stay on Hwy 101 South to Newport. At Olive Street (Hwy 20) stop light, take a left toward Toledo. (There's a Shell Station on the left and JC Sentry Market on the right at the stoplight; there's a left turn signal.)

Stay on Hwy 20 for about 7 miles. Take a left onto Hwy 229 at the Dairy Queen near the Toledo exit. Stay on Hwy 229 until you get to Siletz.

Once in Siletz take a right at Logsden Rd. (There's a bank opposite Logsden Road). Stay on Logsden road for about ¼ mile then take a left at Gwee-Shut Road. (Gwee-Shut road has a very large retaining wall to the left side of it). The Clinic is located at the first corner of Gwee-Shut road on the right.

Coming from Portland via Corvallis:

Take I-5 South to Hwy 34 West (this will be Exit 228, the Tangent exit south of the Corvallis exit). Bypass Corvallis by taking the left turn at the signal before the river (signs will direct you to the Ocean Beaches, Philomath, etc.). After crossing the river, stay on Hwy 20 (20 merged with 34 at the river) to Toledo. **Please drive cautiously – narrow winding roads, log trucks and other hazards abound.** Approximately 3 miles past the first Toledo exit will be the Hwy 229 exit (Dairy Queen on the left; flashing caution light at the intersection; turn right onto Hwy 229). Stay on Hwy 229 until you get to Siletz. Allow about 1.5 hours from I-5 to Siletz (3 hours from Portland to Siletz).

Once in Siletz take a right at Logsden Rd. (There's a bank opposite Logsden Road). Stay on Logsden road for about ¼ mile then take a left at Gwee-Shut Road. (Gwee-Shut road has a very large retaining wall to the left side of it). The Clinic is located at the first corner of Gwee-Shut road on the right.
