PROGRAM EXPECTATIONS AND GUIDELINES

Attendance: Program expectations include regular attendance, arriving for class on time and remaining in class until the end of class. Your subsistence grants can be reduced according to the number of unexcused absences from school. One verbal warning will be given before any reduction will be implemented.

Class Schedules: Mail each term's class schedule to our office as soon as it is available. You should include days, time, building and room numbers. If you are working, please include those days and times.

Grade Reports: Students will not receive Tribal checks for the next term until our office has the previous term's grade report. It is your responsibility to provide us the report, not the schools.

12/2: In order to remain in good standing with the Tribal AVT Program, you must complete twelve (12) credit hours per term and earn at least a 2.0 Grade Point Average (GPA) or clock hours as required by the training institution. Remember, you need to meet our Tribal program standards and your school's financial aid standards.

Please take care to protect your status as a student. Submit your Financial Aid Forms (FAF) early in January each year. Respond to any request from the College Scholarship Service. Complete your school's financial aid validation process as soon as possible. The Tribe will not be responsible to replace any funding lost by a student for failing to complete the financial aid process in a timely manner. The following page contains excerpts from the Confederated Tribes of Siletz Indians' Adult Vocational Training (AVT) Manual. The excerpts outline the regulations and rules to be followed while participating in the AVT program. Please sign the statement, stating that you have read and understand the manual excerpts and program expectations.
