

You can apply this Sunday January 1st 2012 ☺

IMPORTANT for STUDENTS WHO PLAN TO ATTEND COLLEGE NEXT YEAR – This can be a graduating senior or a continuing Higher Ed. Or AVT student

Students interested in applying for Higher Education and/or AVT (two year degree) funds for the 2012-2013 academic year – Be advised of the following:

This important change has been advertised in the Siletz News for the past several months and will continue to be done, but if you plan to submit an application for tribal funds in June, **you must apply for FAFSA (www.fafsa.ed.gov) by January 31st 2012**

This is not a process you can start on January 31st. You must first get on the web site and apply for your PIN (this will serve as your electronic signature – both students and parents need one). I encourage students and parents to do this today or as soon as possible.

Please be aware that failure to apply for federal funding by January 31st 2012 will result in denial of Higher Education / AVT (for 2 year programs) applications in June.

If you have need assistance with this process please don't hesitate to contact me prior to January 31st or make an appointment with a financial aid advisor at your school
