## County to reappraise residential properties in Siletz, Toledo

The Lincoln County Assessor's Office will conduct a physical reappraisal of all residential properties within the cities of Toledo and Siletz.

County appraisers will drive marked vehicles and carry Assessor's Office identification. Physical reappraisals are routinely conducted to update the Lincoln County assessment records and maintain equitable assessments.

The reappraised values in Toledo and Siletz will be reflected on the 2015-16 tax roll that will be mailed in late October 2015.

Appraisal and assessment questions can be directed to the appraisal staff or the chief appraiser at 541-265-4102.

The assessor's counter is open Monday through Friday from 8:30 a.m. to noon and 1-5 p.m.

The computer terminal access in the second floor hallway outside the assessor's office also is available Monday through Friday from 8:30 a.m. to 5 p.m.

Access to assessor's office maps and prior years value information continues to be available on the assessor's web page at [co.lincoln.or.us](http://co.lincoln.or.us).

## Osterlund running for OCCC board

I'm Nancy Osterlund, candidate for the Oregon Coast Community College Board from Zone 4, East Lincoln County.

Community college can be the bridge between high school and college or the pathway to a career. It provides motivation, inspires confidence and reduces the economic burden of a college education.

I can bring an understanding of the education needs of our area to the College Board. I've lived in Toledo since 1965. I've have a master's degree in education and taught high school English for 19 years,

beginning at Siletz High. When the high school closed, I moved with the Siletz students to Toledo High School. I know both communities well.

Many students cannot afford or are not ready for a four-year college. Others prefer a vocation-targeted course of study, while still others need a GED or English as a second language program. Retirees need a forum for exploring their interests. The community college is there to serve.

I welcome the opportunity to be part of that process. Please mark your ballots for Nancy Osterlund in the May 2015 Special Election by May 19.
