Last Cut Wood for the Elders Day is Sept. 20

The Tribal Natural Resources Committee and Natural Resources Department will sponsor the final Cut Wood for the Elders Day of the year on **Sept. 20**.

The woodcut will be held on the **Tribe's Logsdan Road property between the Tribal food distribution warehouse and the Tribal vehicle storage yard** in Siletz.

We need lots of volunteers to help cut, split and deliver firewood for Tribal Elders. Bring your chainsaws, hydraulic wood splitters, splitting mauls, axes and lots of energy.

Lunch, drinks and snacks will be provided. We will start at **8 a.m.** and go until mid-afternoon.

The goal of this event is to deliver firewood to as many Elders as possible.

The Elders Program maintains a list of Elders who burn wood for their winter heat.

People willing to haul firewood to Elders outside of the Siletz area should contact the Elders Program at 800-922-1399, ext. 1261, or 541-444-8261 to be paired up with an Elder in need. We especially need folks who can haul wood to the Eugene, Salem and Portland areas.

Elders in need of firewood also should contact the Elders Program to get their name on the delivery list.

If you have parents or grandparents who burn wood in the winter to stay warm, you need to help out at this event! Come help replenish those wood piles for the coming winter. This will be the last woodcut of the year.

Mission Statement: Working together as a whole community we will utilize our resources to eradicate and prevent the use of all illegal drugs, underage drinking and abusive use of alcohol, delinquency and community violence.

Coming Soon: Improved Access to the Alsea River

PORTLAND, Ore. – On Aug. 13, Oregon Wildlife presented Lincoln County with a “check” for \$35,000 to celebrate the recent acquisition of a 10-acre parcel of frontage in the Tidewater reach of the Alsea River.

Oregon Wildlife’s donation helped the Oregon Department of Fish & Wildlife make the purchase but the property, soon to become a park and boat launch, will be developed and managed by Lincoln County through a long-term lease agreement with the department.

“We’re pleased to have the support of many individuals and businesses, including Lindsay Ball, Steve Stewart, Jon Englund and Englund Marine, Dahl Disposal Service and Bob Jacobson. These donors and others making a gift of \$250 or more will be recognized on a kiosk at the park once construction is completed. Our single largest donor also has the opportunity to name the boat launch,” said Tim Greseth, Oregon Wildlife’s executive director.

Oregon Wildlife is accepting donations toward the acquisition

until the end of this year. At that time, a name for the boat launch will be selected.

Tax-deductible donations can be made securely through Oregon Wildlife’s website at owhf.org/ support or by mail to Oregon Wildlife, P.O. Box 30406, Portland, OR 97294-3406; reference “Alsea River Boat Launch Project.”

“We hope a few more individuals and companies will step forward and show their support for this exciting project on the Alsea. There has been, for some time, a real need for improved access to one of Oregon’s best fishing streams and the proposed public boat launch facility fits the bill,” said Greseth.

Tentative plans for the property include a boat launch, 30-stall boat and trailer parking lot with additional parking stalls, restroom facilities and an improved dock.

Oregon Wildlife empowers the lasting conservation of fish and wildlife and the enjoyment of our natural resources.
