

In the February issue of *Siletz News*, you may have noticed that your mailing label might have been incorrect. You should have received the same number of newspapers at your address that you usually do, but the names on the labels were incorrect. Please keep those newspapers and do not return them. If you did not receive a newspaper and you would like a copy, call 541-444-8291 or 800-922-1399, ext. 1291; or e-mail pias@ctsi.nsn.us and we will send one to you.

This was an isolated incident that happened with the February issue. The Tribe is changing the way we create the labels so this will not be an issue in the future. We apologize for any inconvenience this may have caused.

Issues of *Siletz News* also are available on this website. Follow the links in the News & Events tab on the home page.
