June 2017

Apply now for Siletz Tribal Head Start's 2017-2018 School Year

It's time to apply for your child to attend the Siletz Tribal Head Start program for our upcoming 2017-2018 school year. We have classrooms in Siletz, Lincoln City, Portland and Salem.

If your child will be 3 or 4 years old as of Sept. 1, 2017 (or as of Sept. 10, 2017, for Salem-Keizer only), her/she is eligible to apply for the Siletz Tribal Head Start program. Your child does not have to be American Indian to attend our program, but we do give a preference for enrollment to Native children.

Call us at 800-922-1399 or 541-444-2532 and ask for Head Start to request an application.

There are new enrollment requirements that all Head Start programs must meet. All Head Start programs are now required to conduct either a face-to-face or telephone interview with all applicants to verify the information on their child's application. When you return your application, we will call to verify the information with you.

This new requirement must be met before we can select your child for enrollment into our program. If we are unable to reach you, we will leave a detailed message asking you to call us back. Please call us back as soon as possible so we can finish processing your child's enrollment application.

This is a mandatory requirement we must meet and we are unable to enroll any child until we complete this new verification process.
