SHARON BUTLER MEMORIAL SCHOLARSHIP APPLICATION

The purpose of the Sharon Butler Memorial Scholarship is two fold:

First, the scholarship was created to recognize and honor the achievement and contributions of Sharon Butler. Sharon was the manager of the USDA Food Program for the Confederated Tribes of Siletz. She spent her entire adult life in service to her tribe and family. Known as "Auntie", she was a tremendous resource to the community, and a steady and stabilizing influence in her family. On June 2, 1992, she was killed in a collision caused by a drunk driver as she completed her final preparations for a trip to Washington, D.C. to represent the Siletz Tribe at a housing conference. Her good work was the inspiration for this scholarship.

Second, the scholarship is designed to promote the educational development and tribal leadership of Siletz tribal members who are residents of Lincoln County and who are about to begin college, by providing financial assistance and recognition to them for the critical first year of their college career.

BACKGROUND

The scholarship was created by contributions from Sharon's husband, Ron Butler, Ray Thomas of Royce, Swanson, Thomas, and Coon (her lawyers), and contributions from family and friends. Grace Castle provided her considerable organizational energy in getting the scholarship established and Rex Krabbe of the Lincoln County Foundation and Bob Tom from the Siletz Tribe provided much assistance in creating procedure for operation of the fund.

Sheryl Simmons joined us in 1996. She is the manager of the tribe's bingo game and is Sharon's sister-in-law and close friend.

Bob Tom retired in 1997 and was replaced in 1998 by interim Higher Education Specialist Kelly Ball. In 1999 Bev Youngman, Programs Manager, Confederated Tribes of Siletz Indians replaced Kelly on the Sharon Butler Memorial Scholarship Committee.
