2000-2020 Siletz Tribal Charitable Contribution Fund  
**TWENTY YEARS OF GIVING**

## **Siletz Tribal Charitable Contribution Fund Charitable Giving 2020**

The Confederated Tribes of Siletz Indians of Oregon adopted Ordinance Section §4.20 Distribution of Net Revenues on July 6, 1999 and signed an MOU with the State of Oregon regarding community relations and charitable giving on September 4, 1999. With these steps the Tribe established the Siletz Tribal Charitable Contribution Fund with a seven-member Advisory Board to send recommendations to Tribal Council for the distribution of Chinook Winds gaming revenues to eligible charitable organizations.

The year 2020 presented many challenges. The shutdowns and partial-reopenings due to COVID, as well as the Echo Mt. wildfires impacted casino and tribal government operations. The full economic impact upon casino revenues and future charitable capacity is not yet known. Remaining steadfast, the Siletz Tribe distributed charitable funds without interruption. Awards were made on schedule each quarter to organizations and local government entities within the Tribe's service area (Lincoln, Tillamook, Linn, Lane, Benton, Polk, Yamhill, Marion, Multnomah, Washington, and Clackamas counties) and to Native American entities within the U.S. Charitable categories include: education, health, public safety, gambling addiction, prevention, drug and alcohol treatment, housing, the arts, environment and natural resource preservation, cultural activities, historical preservation, and other charitable purposes. First quarter awards were distributed in February at Chinook Winds Casino Resort in Lincoln City, OR: this was the only public reception during 2020. Due to COVID health and safety measures the award checks for remaining quarters were mailed.

The STCCF Advisory Board is composed of seven appointees responsible for reviewing applications and making award recommendations to Tribal Council. 2020 Advisory Board members were: Sharon Edenfield, Tribal Council representative; Cheryl Lane, Rebekah Goulet and Kurt Arden, Siletz Tribal members; and Karen Gerttula, Mike Holden and Dick Anderson, non-tribal community members mutually agreeable to Tribal Council and the Governor. Appointments are for three year terms with two positions open each year. Mike Holden served as Board Chair.

The funds available for distribution are based on 12-months of excess pledge revenues from two years prior to a fund year plus interest and carryover amounts. For the January-December 2018 EPR fund year, \$1.25 million was available for distribution in 2020. The charitable fund received a

total of 331 applications for the year. The Advisory Board submitted recommendations and Tribal Council approved 170 awards totaling over \$931,000 dollars. Overall, 51% of applicants received an award.

The average award size was \$5,500 and the median was \$2,500. To help mitigate the economic impact of COVID, special one-time food security awards were made to 31 gleaner and food share organizations. When COVID restricted gatherings and travel, some awardees elected to return funds and others received extensions. Administrative costs were low at less than 2% for the budget year. 2020 marked the 20th anniversary of the Siletz charitable fund.
