RE: Nesika Illahee Pow-Wow

Dear Friends,

I hope this letter finds you all safe and healthy. I want to express to you that nothing is concrete as we are still in a pandemic. The situation we find ourselves in today will evolve in the coming weeks and months. I am sending out applications so that should things progress in a positive direction, we may be prepared to have our event.

Please don't feel any pressure to participate. Many of you are long term vendors at our Pow-Wow. If you chose to not participate in 2022 due to Covid-19 concerns, do not feel as though you would lose your spot if you choose to return and participate in 2023. I would like to hear from all whether you decide to participate or not.

I will do my best to communicate and relay information as I get it. I will do my best to answer any questions.

My best,

Buddy Lane
