We are extremely pleased of our returning instructors that have been to camp since we first began and for the new instructors-be careful because we may adopt you too.

Please be sure to show your appreciation to the instructors, volunteers and our cooks and thank them for their generosity. We would like to give a big thank you to the summer Tribal Youth Education & Employment workers and to our volunteers; you have been a great help. A big thank you goes out to all that have participated in this Cultural Camp and hope to see all of you next year.
