AFFORDABLE CONNECTIVITY PROGRAM (ACP)

The ACP is a benefit program that helps households afford broadband internet at home. Qualifying households will receive **\$30 off their monthly internet bill each month** and **\$75 each month on their bill if the household is on qualified tribal land**. This is a locked in benefit for a year after approval!

QUALIFYING APPLICANTS ARE THOSE WHO
RECEIVE ONE OR MORE OF THE FOLLOWING;

STATE-BASED BENEFITS/ASSISTANCE

Such as Medicaid, SNAP, WIC, Lifeline, etc.

FEDERAL BENEFITS/ASSISTANCE

Such as TANF, GA, USDA, Federal Public Housing Assistance (FPHA), SSI, Veterans pension or survivors benefits, Federal Pell grant, or has a child/ren in the home that goes to public school and receives free-reduced school lunches.

LIVING ON TRIBAL LANDS

Participates in one of these assistance programs **and** lives on qualifying Tribal lands: Bureau of Indian Affairs General Assistance, Tribal TANF, Food Distribution Program on Indian Reservations, or Tribal Head Start (income based)

This is not an income based benefit. If none of these benefits apply to you or your household, you can then qualify under income. A household is eligible for the ACP if the household income is at or below 200% of the Federal Poverty Guidelines.

Vacant, Elder on-call Transport

Eugene area elder's info, news and events

Hi everyone,

I hope you all had a warm and wonderful Thanksgiving! I was able to get out and about to visit family and friends who are dealing with health issues. It was so nice just spending time with them over the long holiday weekend.

We have December birthday celebrations to remember this month. Wishing all the Lane, Benton, and Linn County Elders a Happy Birthday. I am sending birthday wishes to: Terry, Cathleen, Lynette, Katherine, Judy, Janet, Bradley, Judy, and James. Warm wishes for good health, wealth, prosperity, and love, a day/year filled with lots of happiness, hugs, laughter, and CAKE! Truly.

I attended the November elders meeting and part of my area representative report included information about what happened to me back in October. I want to share a short version in this newsletter for folks who weren't there or on Zoom listening. I noticed my elder's stipend was not deposited into my bank account. So, I called accounting and found out that someone had put through a change of bank account via email to the accounting department in Siletz. They thought it was me and changed it in their system. Turns out someone had my address and my tribal roll number and submitted a fraud voided check and fraud signature with the correct

tribal completed form. It looked like I had requested the change. After talking with accounting and assuring them I had not submitted this form and voided the Green Dot Bank check they changed my information back and sent me checks in the mail. So, I wanted to encourage everyone to check that you are receiving your auto-deposit elder's stipend each month. It's kind of scary that they had my tribal roll number and were able to do this all via email!

Reminders:

Every Thursday you can join the walking group, it starts at 10 a.m. with Jamie Boe.

Also, Diabetes funding for gym memberships are still available. You can call Jamie Boe at 541-484-4234, for more information.

The bead group is on the third Tuesday of each month. Come join us, on December 19, at 12-2 p.m. Then after you can pick up fresh produce before you leave.

The book club will be starting up again soon, I will keep you posted with dates and times.

Be well and stay positive and kind. Till next month...

Truly,
Verdene McGuire.
